The diagram illustrates a class hierarchy. At the top is a box labeled 'Vesper::Camera'. Below it, a horizontal line connects two boxes: 'Vesper::EditorCamera' on the left and 'Vesper::SceneCamera' on the right. A vertical line descends from the center of this horizontal line, ending in an upward-pointing arrowhead that points directly at the bottom of the 'Vesper::Camera' box, indicating that both 'Vesper::EditorCamera' and 'Vesper::SceneCamera' inherit from 'Vesper::Camera'.
